

2012 Cabernet Franc

Tasting Notes

With pleasant oak integration in the nose, the wine offers notes of soft vanilla, cherry and marzipan. The palate reveals luscious cherry, plum and dark chocolate flavours. This is a great example of the interesting growing year we had in 2012. It was a very hot vintage, which required careful attention to the grapes to slow down ripening to balance flavours. With higher alcohol than previous years, it remains balanced with a complex fruitiness on the nose and palate.

Food Pairing

This wine will pair well with lamb, brisket, and a charcuterie and cheese plate.
